## Fullstack Ruby on Rails developer

Passionate about computer science since ever, I followed Le Wagon bootcamp in early 2022 to deepen my web development knowledge, following experiences in digital marketing and business. I can now work with you on the whole stack of your Rails projects.

## Formation

- April to June 2022 **Le Wagon** • Paris  
Fullstack web development - #860 batch  
Ruby / Ruby on Rails, OOP, HTML / CSS / JS, SQL / PostgreSQL
- Fall 2019 **McGill University** • Montréal  
Exchange semester  
Courses on GA, SEO/SEA, and *Cloud Computing* (AWS, Azure...)
- 2016 to 2020 **Grenoble École de Management** • Grenoble  
Master in Management
- 2014 to 2016 **Université de Rennes 1** • Rennes  
Uni. Tech Degree in Business and Admin. Management

## Projects

- June 2022 **Mygrowbox**  
 besbar/GROWBOX  
Ruby on Rails, PostgreSQL, Stimulus.js, Sidekiq, ngrok, Heroku
- May 2022 **Vanos**  
 edouardfeyrau/vanos  
Ruby on Rails, PostgreSQL, Stimulus.js, Heroku
- Since December 2019 **Yet Another Weather Service**  
 John35961/yaws  
Flask, APIs REST, ChartJS, Leaflet, AWS

## Work experience
